

STOP THE SUFFERING

animal rescue

Dear Friends,

Each year thousands of dogs and cats are rescued from rural shelters and adopted into loving, forever homes. With your support during 2023, STS:

- Transported almost 4,000 dogs and cats from overcrowded shelters in Ohio and contiguous states and from northern Ohio puppy mills to safety either to STS or to sister rescues throughout Ohio and Michigan.
- Provided supportive and veterinary care to more than 1,800 lives through our sponsorship program.
- Adopted out 500 dogs to loving homes.

We are excited to host our 7th annual 5k!

By joining our event as an individual or company vendor you will have the opportunity to meet all our race goers! Your support will also assist Stop the Suffering in meeting and exceeding our 2024 rescue goals. The commitment of our vendors is crucial to not only the success of this event but to the daily victories in our work to help animals, while never wavering from our core value of uncompromised compassion. As a 501c3 nonprofit organization, we rely on public and corporate donations to continue our mission.

In order to continue our mission and keep saving lives, we are asking for your continued support as a sponsor.

Thank you in advance,
Stop the Suffering
